

Welcome to the pages of the Regional Centre for Civic Education Berlin.

- We offer material for civic education in German. We charge a preparation fee for most of the publications.
- We organise events for mediators of civic education in Berlin.
- Upon application, we fund small events/projects of civic education in Berlin by grants.
- We are glad to provide you advice on questions concerning civic education.

Tasks

The Regional Centre for Civic Education is an institution of the State of Berlin. It operates under the jurisdiction of the Senator for Education, Science and Research. As a governmental organisation, it has the task of supporting and promoting civic education in Berlin on a pluralistic basis. It advocates liberal democracy, however, not individual political opinions and tendencies. A board of trustees consisting of members of the Berlin Parliament accompanies the work and ensures its independence from political parties.
