IDEAS NEEDED!

We fund your local project!

**HALLO
KIEZ**

We are Mitte's local coordinators
and manage the neighborhood fund
Stadtteilkasse.

HOW IT WORKS!

What is „Stadtteilkasse“?

The neighborhood fund supports ideas that are good for your neighborhood. You can receive up to €500 for your project. For example:

- spruce up the community garden together
- organize a soccer tournament or neighborhood festival.

What can you get support for?

For materials you need for your project and fees for services you cannot provide on a voluntary basis.
