

Registration office Mitte

Have you been discriminated due to your skin color, religion, origin or sexual orientation? Or have you observed discrimination?

The registration office Mitte records discriminating and extreme right-wing incidents. The reported incidents are anonymized, collected, evaluated and published.

There are registration offices in every district and several contact points where you can report discriminating incidents.

In the registration office Mitte you can

- report a discriminating incident, e.g. racist, antisemitic, antiziganistic, anti-Muslim, extreme right-wing, LGBTIQ hostile or disabilist incidents. These incidents may be attacks, insults or threats. Property damage or stickers can be reported as well.
- You can report an incident by telephone or personally or you can fill out a form and send it by mail.
- We do not offer anti-discrimination counseling ourselves but we can forward you to counseling offices.

Address
