

ARE YOU PREGNANT? YOUR BABY IS HERE AND EVERYDAY LIFE IS UPSIDE DOWN?

Family midwives and family & child healthcare
professionals accompany you!

We **support** you with questions about:

- Daily life with your baby
- Your baby's development
- Breastfeeding and healthy nutrition
- Services in your neighbourhood
- On premature and multiple births
- For chronically ill children
- Worries and concerns

The offer is **free of charge** for Neukölln families and applies from pregnancy to the first year of life (family midwives) or up to the third year of life (family and child healthcare professionals).
