The image shows the front cover of an official gazette from the Berlin district of Spandau. At the top, it says "Aufgestellt: Berlin, den 10.04.2012". The main title is "Bezirksamt Spandau von Berlin" in large black letters, followed by "Abt. Bauen, Planen, Umweltschutz und Wirtschaftsförderung". On the right side, there are two logos: "Stadtentwicklungsbüro" and "Schulte Amtsleiter". Below the title, there is a paragraph stating that the building permit regulations were published on April 6, 2012, and renewed on March 31, 2014, and are publicly available. It also mentions a meeting of the Building Permit Regulations Committee on April 19, 2014. The date "Berlin, den 20.03.2014" is printed below this. In the center, the title "Bezirksamt Spandau von Berlin" is repeated, followed by "Abt. Bauen, Planen, Umweltschutz und Wirtschaftsförderung" and "Stadtentwicklungsbüro". Below this is the name "Schulte" and the position "Amtsleiter". A paragraph at the bottom states that according to § 10 Abs. 1 of the Building Permit Act, in conjunction with § 6 Abs. 5 Satz 1 of the Law on the Execution of the Building Permit Act, the regulation has been fixed since its publication on April 17, 2014.
