Coronavirus: Please keep your distance in the park too!

The park will remain open, subject to the rules laid down by the Senate of Berlin to curb the coronavirus.

To prevent the further spread of the coronavirus, the following rules must be observed:

- Do not congregate in groups. You can go for a walk or exercise alone, in two or with other members of your household.
- Maintain a minimum distance of 1.5m between you and other people, even in parks and green spaces.
- Even when resting on benches, maintain a minimum distance of 1.5m.
- If taking a break in a meadow or open space, maintain a minimum distance of 5m to other park visitors.
- No picnics, no barbecues
- Please do not enter marked-off areas

Please adhere to the rules.

This is for your own protection and for the protection of your fellow human beings.

Thank you!
