Anyone who falsifies this document or falsely certifies a test that has not been performed is liable to prosecution under Section 267 of the German Criminal Code (StGB) for forgery of documents. Any violation found will be reported to the police.

* In the event of a positive test result, the person tested must go into quarantine immediately. This also applies to household members of persons with a positive rapid antigen test. Quarantine may not be ended until a subsequent PCR test has shown a negative result. The person tested positive is entitled to a PCR test for confirmation or refutation.
