Pawnbroking business - apply for a permit

Anyone wishing to operate the business of a pawnbroker or a pawnbroker's agent requires permission from the competent authority.

The permit may be subject to conditions insofar as this is necessary for the protection of the general public or the pawnbrokers. You must apply for the permit before you start your business. You are only entitled to exercise the trade after the permit has been granted.

Pawnbroker and pawnbroker brokers

- The **pawnbroker** grants a money loan against deposit of a pledge to secure the loan plus interest and costs of business operations. The pawnbroker must additionally notify the competent authority at the start of the trade which rooms are to be used for the trade. A change of premises must also be notified.
- The **pawnbroker brokers** pawn transactions by granting an advance on pawns handed over to him and pledging the pawns in his name with a pawnbroker.

In the case of partnerships (e.g. GbR, OHG, KG), the trader is each managing partner; in the case of legal entities (GmbH, UG or AG), permission is granted to the company.

Procedure:

1. You must apply to the competent authority for permission to operate a business as a pawnbroker or pawnbroker.
2. After the examination, you will either receive the permit or a rejection notice. A permit may be subject to certain conditions.
