Recognition of foreign professional qualifications - Childhood educationalist (Kindheitspädagoge/in)

Childhood educationalists perform research in the fields of childhood development, nurturing and education. They draw up support concepts for children, provide advice in parenting matters, and take on management roles in educational facilities.

As a childhood educationalist you could work, for example, at a daycare centre, an all-day school, in the area of early childhood support, or at welfare institutions such as family support centres.

As a childhood educationalist you are also qualified to lead groups, projects and facilities.

Social-education professions are regulated in Berlin and in Germany. This means that to perform such jobs you require state approval. This approval can be granted, if you apply for your professional qualification to be reviewed to determine equivalence. The review of equivalence takes place based on the provisions of the law regarding the recognition of qualifications in caring professions (Sozialberufe-Anerkennungsgesetzes (SozBAG)).

Prerequisites

- **Foreign professional qualification**

You have acquired a comparable professional qualification as a childhood educationalist in another country

- **Application for determination of equivalence**

You have not applied for recognition in another federal state to date.

- **Personal suitability**

(<https://service.berlin.de/dienstleistung/120926/>)

According to § 5 of the law regarding the recognition of qualifications in caring professions (SozBAG), state recognition cannot be granted if you have been found guilty of any serious offences that are associated with untrustworthiness to practise the profession. To verify this, we require an extended certificate of good conduct for presentation to an authority pursuant to § 30 a of the Central Federal Register Law (BZRG). Any previous convictions are listed on the certificate of good conduct. State recognition can be granted if the certificate of good conduct has no entries.

- **German language skills**

(<https://www.europaesischer-referenzrahmen.de/sprachniveau.php>)

To receive state recognition, your German skills must be at least at level C1 of the common European framework of reference for languages.
