Video calls to contacts with Avisio!

Download the **Avisio** app from the **App Store** or the **Play Store**.

Your contact initiate the **video call**.

You receive a **SMS** with a **Code**.

Open the **Avisio App**.

Type in the **SMS Code**.

Join the **video call**.

Important: Only an inmate can initiate a call. We recommend that you agree on the exact time of the video call in advance. The quality of a video call is directly related to the quality of the available internet connection. For this reason, we recommend that you stay in a place where the quality of the network is stable and don't move during the call.
