

## Welcome to the pages of the Regional Centre for Civic Education Berlin

- We offer material for civic education in German. We charge a preparation fee for most of the publications.
- We organize events for mediators of civic education in Berlin.
- Upon application, we fund small events/projects of civic education in Berlin by grants.
- We are glad to provide you advice on questions concerning civic education.

### Tasks

The Regional Centre for Civic Education is an institution of the State of Berlin. It operates under the jurisdiction of the Senator for Education, Youth and Family. As a governmental organization, it has the task of supporting and promoting civic education in Berlin on a pluralistic basis. It advocates liberal democracy, however, not individual political opinions and tendencies. A board of trustees consisting of members of the Berlin Parliament accompanies the work and ensures its independence from political parties.
