Beware of fraudulent charity collectors!

People with this list are
NOT collecting for charity!

This trick is used to defraud passersby. While distracted, money is removed from open wallets or purses, or bags are stolen.

Emergency number: 110

Steps you can take to protect yourself:

- Avoid groups.
- Walk on resolutely. Do not stop.
- Do not engage in conversation – not even if gestures are used.
- Do not enter your name in the list.
- In crowds, be especially aware of your purse or wallet.
- Do not carry valuables in external pockets, back-pockets or rucksacks.
- Bags and rucksacks should be closed and worn on the front of the body or carried under the arm.

Be especially alert if you are crowded or if your clothing is souiled or you are otherwise distracted!
