## Adlershof is:

... a textbook-like regional innovation system.

*DIW Econ*

... of comparable economic relevance to  
Berlin's digital economy!

*DIW Econ*

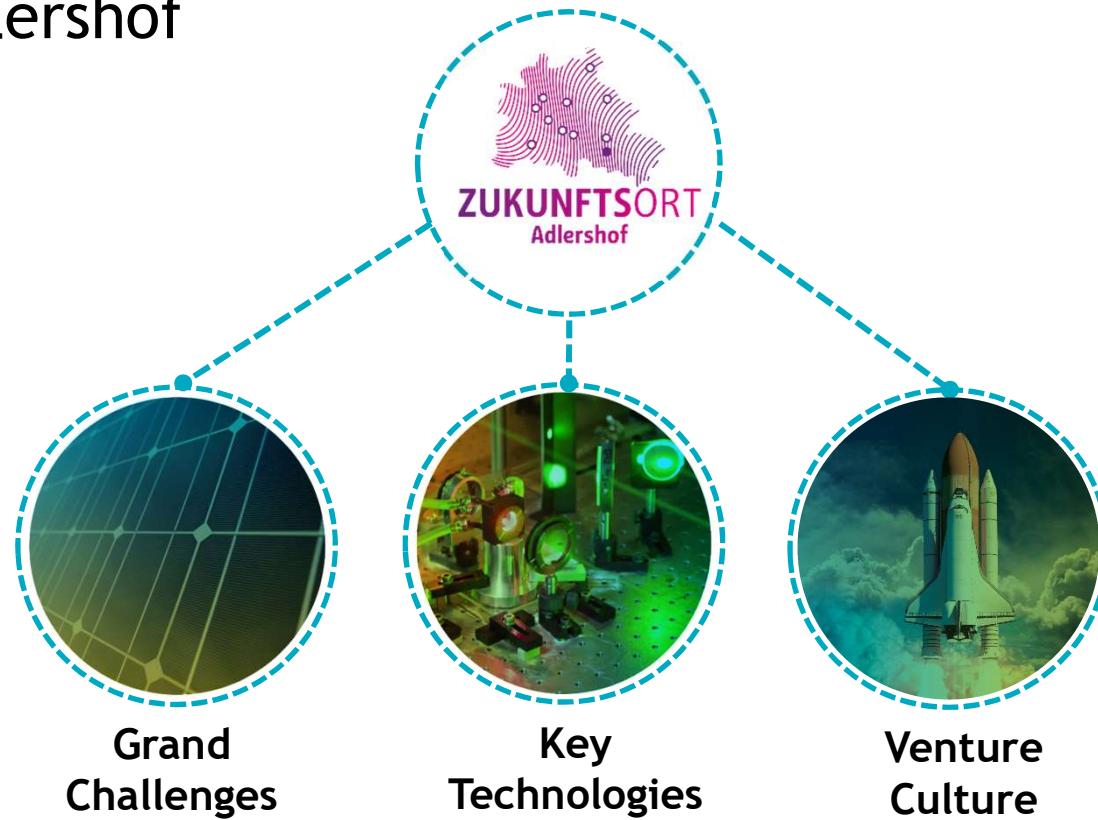

*FAZ*

... the place with probably the highest density of world  
market leaders in Germany.

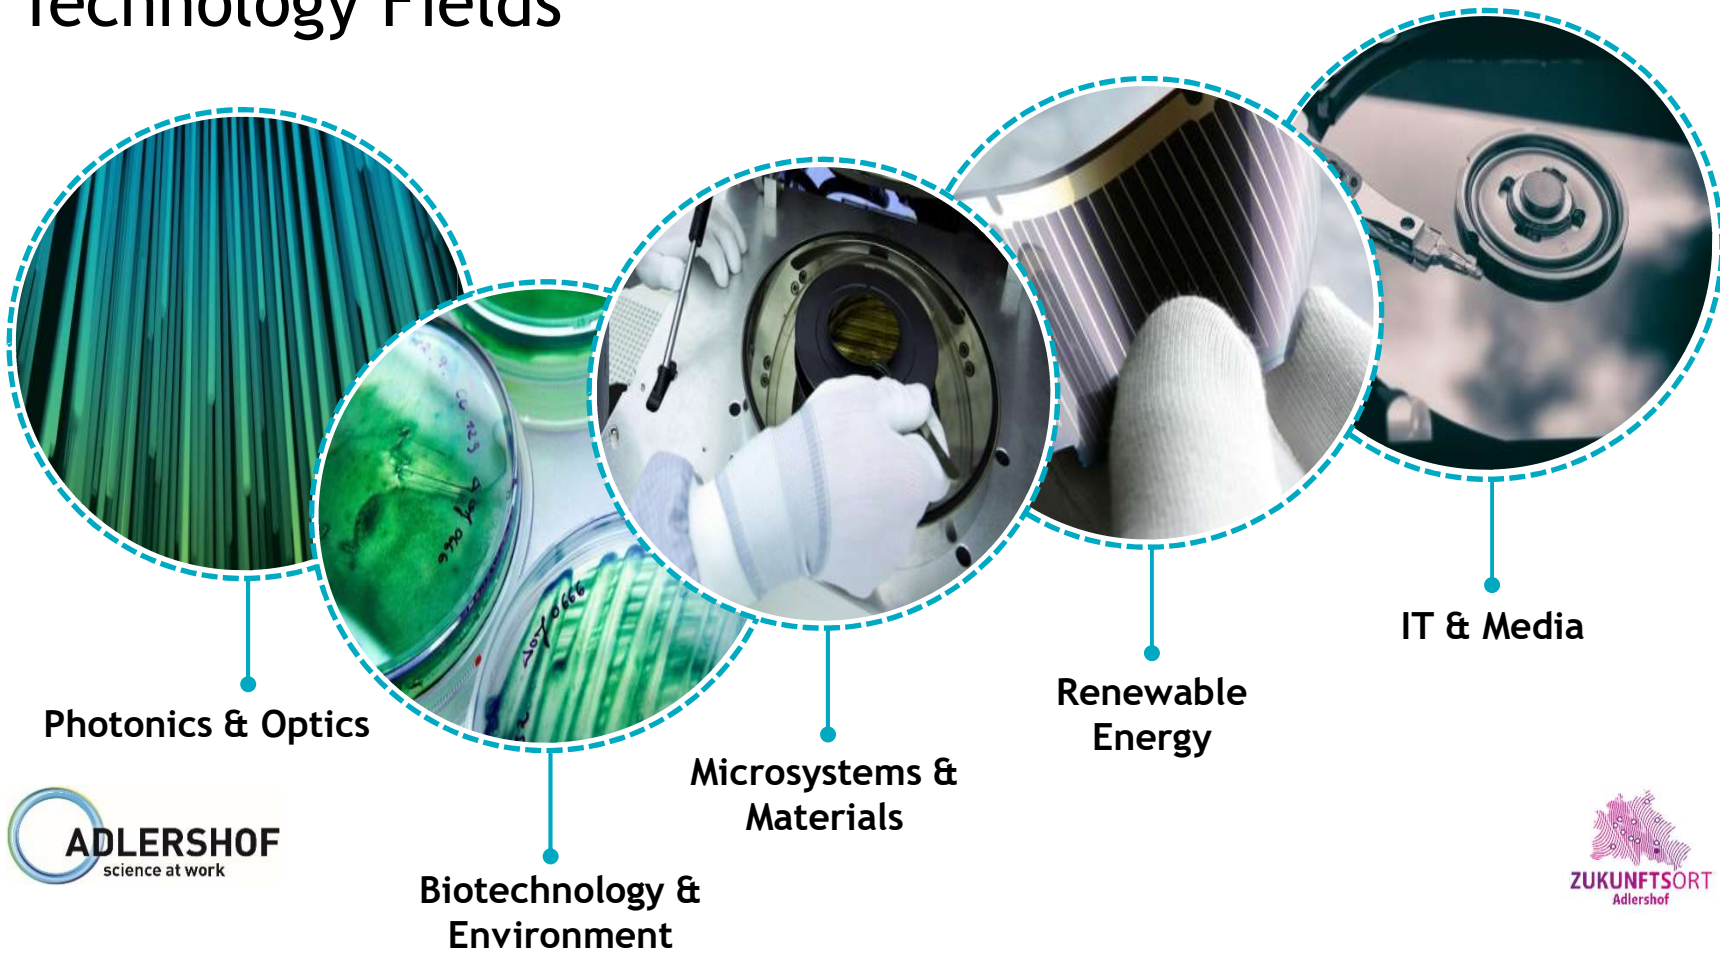

# Mission Adlershof

# Technology Fields

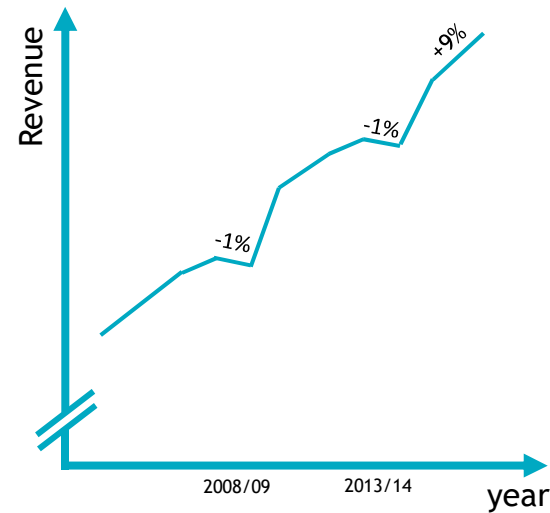

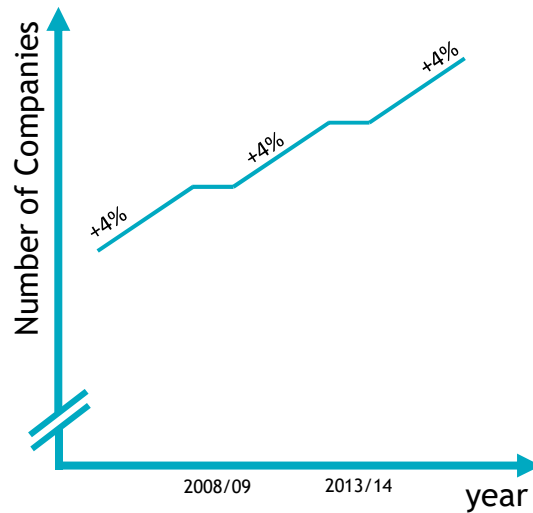

# Impact of the COVID-19 pandemic - high levels of resilience

## Experience with crises

- GFC
- Solar crises

A photograph of a modern building with a grid of windows and two large head sculptures on pedestals, overlaid with a blue circular graphic containing the text "THANK YOU for your attention".

**THANK YOU**  
for your  
attention
