## Excellent Basic Science – for the future of medicine

- Molecular Medicine: **MDC**  
- disease mechanisms -
- Molecular Pharmacology: **FMP**  
- chemical biology -
- 1,200 Scientists from  
70 nations

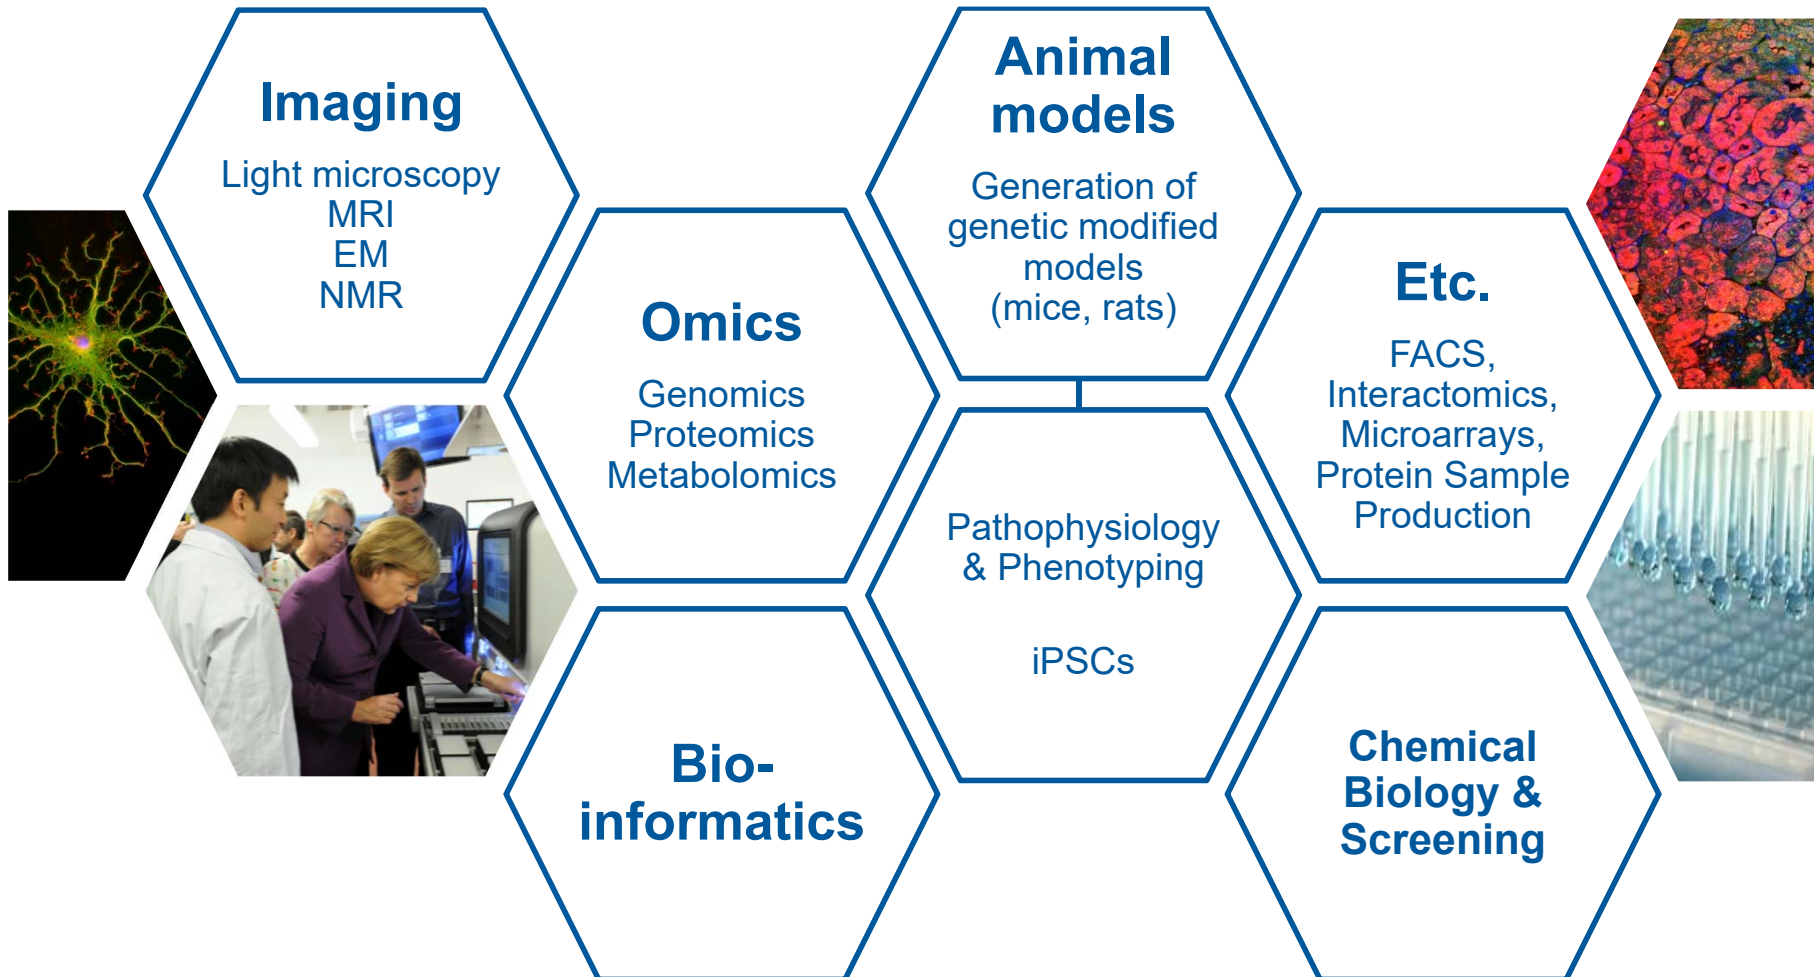

.. Cancer / Cardiovascular Diseases / Diseases of the Nervous System / Rare Diseases / ..

## Clinical Research – for the future of medicine

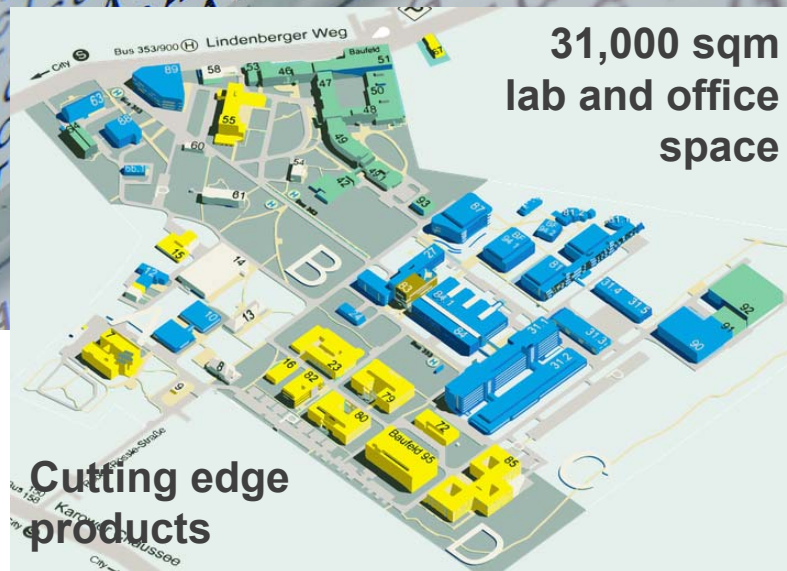

- Clinical Research Unit (CRU) supporting IIT and drug studies
- Out Patient Clinics, highly specialized with 5,000 patients/year
- Epidemiology, part of national studies
- GMP facility for cell therapy products
- MR Imaging (3 & 7 Tesla MR scanner)
- Biobank, fully automated

**Scientific Technology Platform – for the future of medicine**

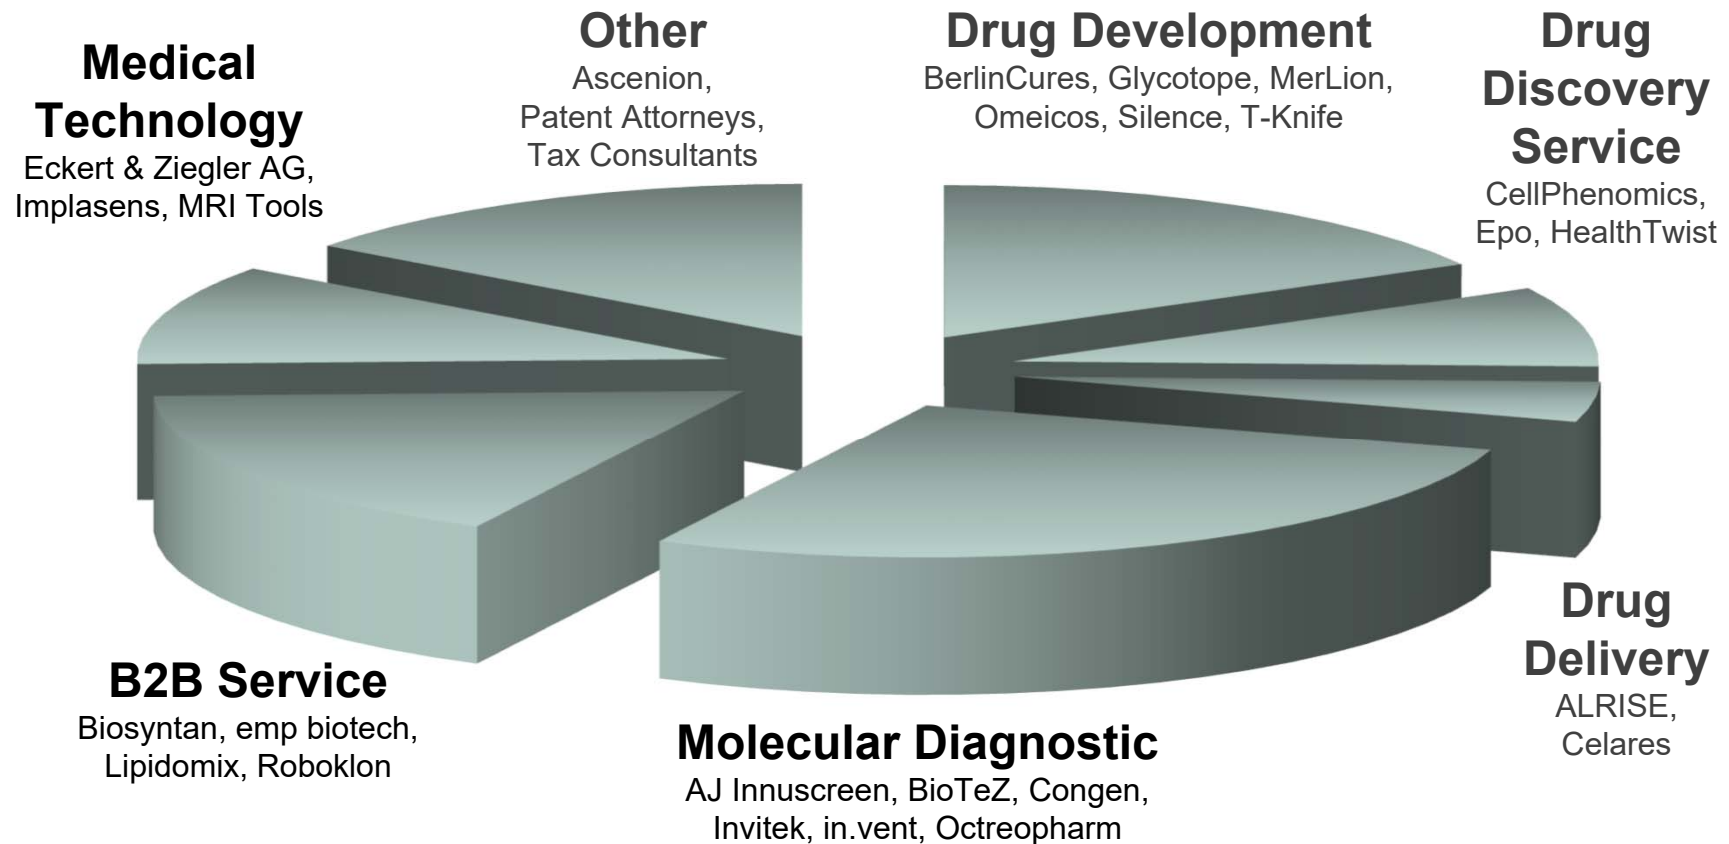

## BiotechPark Berlin-Buch – for the future of medicine

- 5 high tech lab buildings
- 65 companies / 820 employees
- 220 Mio.€ revenue per year
- Inspiring life science community

**65 companies – for the future of medicine**

**... development areas for companies: 9 ha**

## New space for innovation – for the future of medicine

**BERLIN  
BIO  
CUBE**

**Opening: Summer 2023**

- ca. 8,000 sqm
- modern labs and offices, common areas
- flexible modular units

<https://www.berlinbiocube.de>

## Clinical Care – for the future of medicine

maximum-care hospital: HELIOS  
specialty clinics for lung- & rheumatic d.

- 3,200 employees
- 1,250 beds
- 220,000 patients/year

## Education / Living – for the future of medicine

- School Learning Lab:  
14,000 school pupils/year
- Historical and modern  
residences

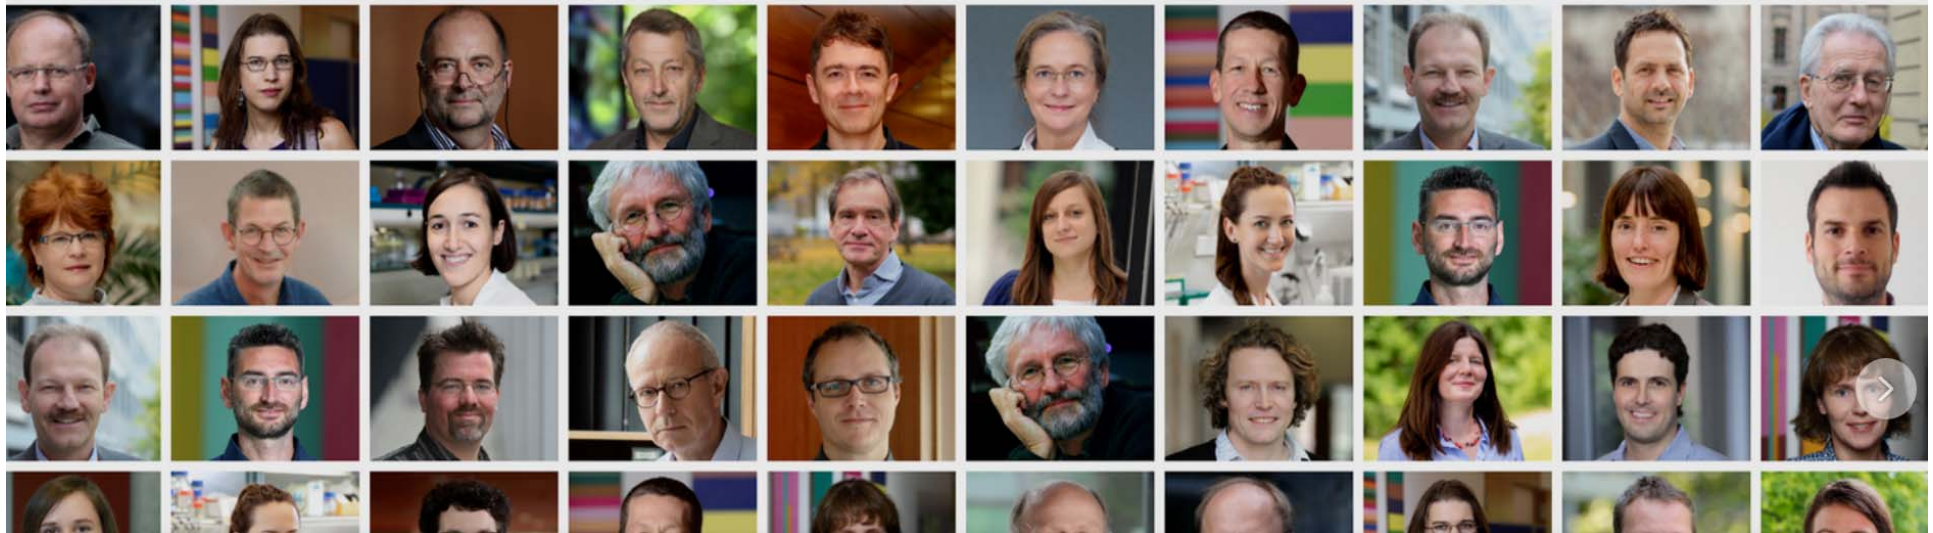

## EU funding – in the past

### Structure-Fonds

- EFRE:  
56 Mio.€ 1999 – 2005
- European Social Fund (ESF):  
11 Mio.€ 1997 – 2008

### Research: 65 Mio.€ 2005 - 2020

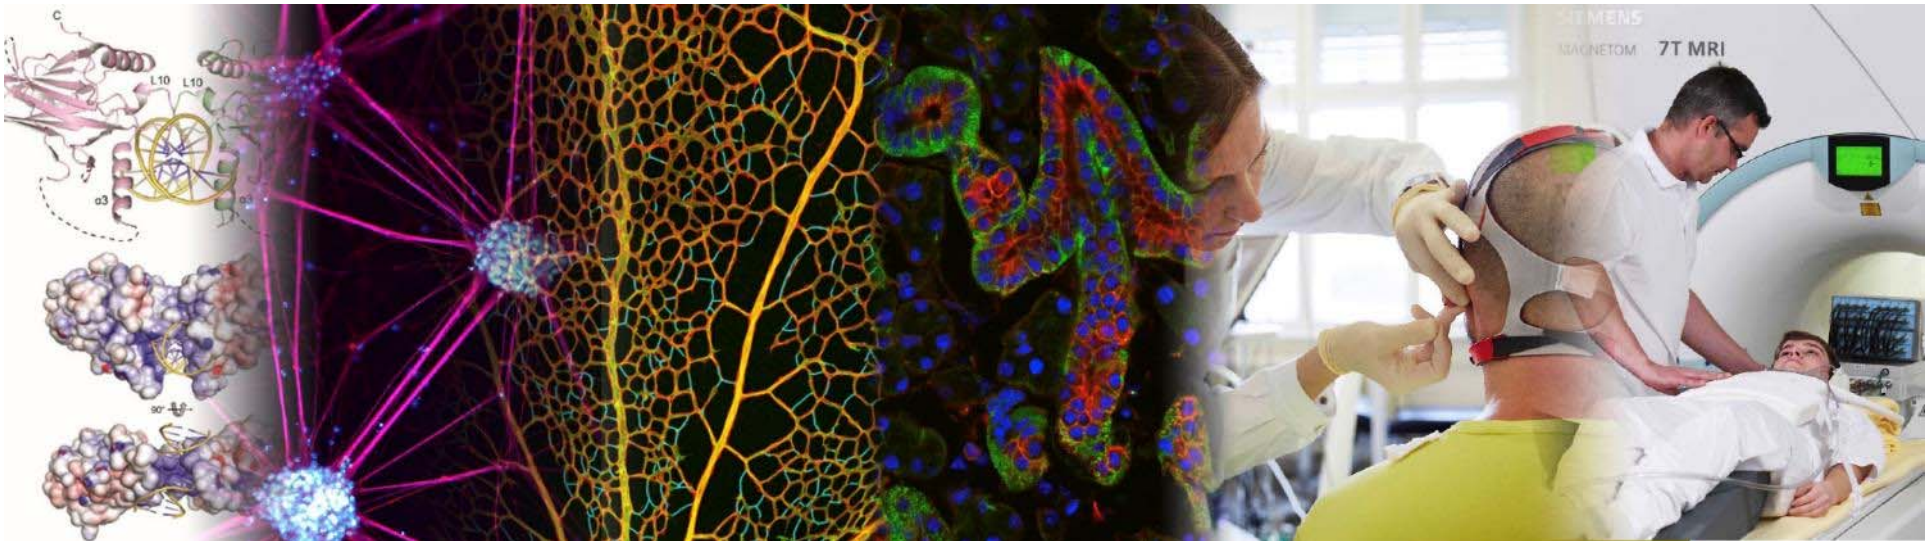

- ERC  
13 Advanced Grants  
11 Starting Grants  
4 Consolidator Grants  
2 Proof of Concept Grants
- Project Funding

## EU funding – for the future of medicine

**EU-long-term-budget for the years 2021-2027  
as the most ambitious research and innovation programme ever**

- European Innovation Council (EIC)  
innovative start-ups and SMEs
- European Research Council (ERC)  
scientific excellence
- EU4Health Programme
- European Social Fund
- Digital Education Action Plan

**Many thanks for your attention.**
