

The Berlin-Mitte City Library welcomes you

The Berlin-Mitte City Library provides books, films, music, newspapers and journals for use at the library or for rental, including many resources for language learning and multi-lingual media.

The use of work stations, Internet PCs, Wi-Fi and downloads is also free of charge.

Currently even more language courses, illustrated dictionaries and games are being purchased that are particularly helpful for learning German.

In order to help you quickly find media that you will find useful in starting your new life in Germany, we have set up a 'welcome shelf' in all the libraries. Additional tips and interesting links can be found at

Registration for library use

- ✓ New registration and usage conditions now apply to asylum seekers in the public libraries of Berlin.

People who do not yet have an official registration certificate only require their residence permit or their accommodation certificate issued by the processing centre in order to receive a library card:

The library card is valid for three months. The validity of the card can be extended.

- ✓ The library card can be used to borrow up to 10 items at the same time free of charge.
